

METEOROLOGICAL.—Yesterday was, in every respect, a London day—damp, heavy, foggy and generally disagreeable. One only had to imagine the Hudson on the Thames, and Trinity St. Paul's, and he was at once in the heart of the British Babylon and pacing Regent-st. or Pall-Mall. The rain fell part of the day, and the metropolis fully sustained the reputation it has long suffered from of being the most unpleasant city in America during the winter months.

PERSONAL.—We are requested to state that the Hon. John T. Hoffman, Mayor elect, is about to change his residence, and that on and after Saturday, the 30th inst., his residence will be at the Clarendon Hotel, corner of Fourth-ave. and Eighteenth, instead of, as at present, No. 264 Fourth-ave. We also learn that he intends to receive his friends at the City Hall on New Year's day, between the hours of 12 and 2 o'clock p.m.

DOWNTOWN.—Dowling, in a business way, means pickled-oysters and boned-turkey. He doubts we know how far back, but further than THE TRIBUNE'S memory or existence, and our impression that he has been an institution since the first 1st of January that ever was. A New Year's table without the regulation Dowling oysters and turkey would be like a plum-pudding without the plums, a salut without oil, or any other good thing with its best part left out. His advertisement appears as usual, as it always does, as long as Dowling's New Year's days are fit, and orders are received at the old place, No. 3 Broad-st., as heretofore since the first Dutch Governor.

Mr. Jerome Hopkins, the pianist, gives his second concert in Brooklyn, at the hall of the Y. M. Christian Association, this afternoon, at 3 o'clock.

SEVENTY-FIRST REGIMENT DRILL.—The new Regimental Band, which has been organized and equipped under the supervision of the Colonel, will make its first appearance at the battalion drill this evening at the State Arsenal. A large number of the friends of the regiment have been invited to be present. The 71st Regiment Ball comes off on the 5th of January, for which extensive preparations are being made. Gov. Fenton and staff, Gen. Hooper and staff, and many other distinguished military men and civilians, will grace the occasion with their presence.

BULL'S HEAD.—The live stock markets are moderately supplied, but fewer animals of all kinds are wanted during holiday week, the demand being for prime stock. Beavers are 10 to 12 higher than last week, with rather slow sales. The supply is little more than half what it was one week ago. Sheep are in fair demand, and all sell each day soon after they get in. Hogs advanced to 11 to 12, but have fallen back to 11, with a moderate call.

BOARD OF COUNCILMEN—ANN-ST. TO BE WIDENED, &c., &c.—The Board met at 2 o'clock yesterday afternoon, the President, James Hayes, presiding in the chair. A resolution was laid over, directing the Committee to the Corporation to take necessary steps to widen Ann-st. and extend the same, which being completed, the street to be designated as "New Broadway." A resolution was adopted that Charles-est. be renamed "Wacker-est." and Bluecker-est. be designated as "Van Nest Place." The Board concurred with the Aldermen in overriding the Mayor's veto on the resolution increasing the salary of the Second Assistant Clerk in the Finance Department to \$2,000 per annum. The Board took up the Mayor's veto on the resolution to publish 2,500 copies of the "Ferry Leases and Railroad Grants." Laid over. The Board then adjourned to 2 o'clock this afternoon.

Elias Perry of No. 20 Bowery became his surety for that amount.
